

Report
Feb 14 2006~~CONFIDENTIAL~~INFORMATION FOR THE DIRECTOR'S LOG

Arrangements have been completed with the State Department for screening files of personnel being released because of staff reductions and to interview those overseas returnees and departmental personnel whose qualifications may interest Agency offices.

After 1 July 1953, a temporary office of CIA personnel interviewers will be located in the State Department since the peak load of returnee and departmental separations is scheduled for July and August.
